

LAST WILL AND TESTAMENT

I, Pattie D. Sewell, unmarried, of Henrico County, Virginia, make this my last will and testament. I revoke all my prior wills and codicils.

I have two children living on the date hereof, namely CAROLE S. BRANNON ("Carole") and RICHARD H. SEWELL ("Rick"). As used herein, the phrase "my children" shall mean Carole and Rick and shall not be deemed to refer to any other person.

ARTICLE I

DISTRIBUTION OF ESTATE

After payment of any debts, expenses and other charges in accordance with the provisions of Article II hereof, I give all the rest of my property, real and personal, tangible and intangible, herein referred to as my Residuary Estate, to the Trustee of the PATTIE D. SEWELL LIVING TRUST U/A DATED JANUARY 18, 2023, IN TRUST, to hold and manage for the benefit of the beneficiaries under the terms of that agreement in effect at my death, which agreement was executed and in effect prior to the execution of this Will.

ARTICLE II

DEBTS, EXPENSES AND OTHER CHARGES

I direct that my Executor shall pay or provide for the payment of the expenses of my last illness, my written charitable pledges, the expenses of my funeral and burial appropriate to my station in life and custom of living (including the cost of a headstone or marker), the expenses of administering my estate, including the cost of safeguarding my tangible personal property and delivering it to my beneficiaries, and my legally enforceable debts, except

for debts secured by an interest in real property (my beneficiaries, devisees or heirs shall take real property subject to any liens and encumbrances thereon).

ARTICLE III

FIDUCIARIES

A. Fiduciaries. (1) I nominate and appoint my daughter, Carole, to serve as my Executor. In the event of Carole's resignation, death or other failure to serve I authorize, nominate and appoint my son, Rick, to serve as my Executor and/or to appoint any qualified individual or entity to serve as my Executor.

(2) No security or surety shall be required on the bond of any Executor serving hereunder, and I hereby waive appraisal of my estate.

(3) I direct that any person serving as Trustee hereunder shall receive reasonable compensation for fiduciary services rendered in the administration of this Trust.

(4) If any fiduciary is a nonresident of the state in which I am domiciled at the time of my death and a resident fiduciary is required by law or necessary to avoid surety on the bond of the fiduciary, the fiduciary(ies) named herein shall have the power and authority to appoint a resident of that state to serve with the fiduciary(ies) named herein.

B. Fiduciary Powers. In addition to the powers now or hereafter granted by law, every fiduciary serving hereunder shall have all of the powers set forth in Sections of the Code of Virginia as in force on the date of my death, and I incorporate

that Code Section in my will by this reference. Any fiduciary serving hereunder may retain any or all assets for so long as such fiduciary may deem appropriate, even if the assets represent an over-concentration or do not meet the standard of the prudent investor rule, which rule is hereby waived. My Executor may borrow money (including borrowings from the fiduciary) for any purpose deemed in the best interests of my estate and secure such borrowings with any assets of my estate. My fiduciary may invest the assets of my estate in a money market or other mutual fund.

C. Fiduciary Discretion. The powers and discretion granted to my Executor are exercisable only in a fiduciary capacity, and may not be used to enlarge or shift any beneficial interest except as an incidental consequence of the discharge of fiduciary duties.

D. Advisors. My Executor may employ such attorneys, accountants, real estate agents and other agents and advisors, and may compensate such agents and advisors out of the income and/or principal of my estate, as my Executor may deem appropriate, in my Executor's sole and absolute discretion. In no event shall the compensation of such agents or advisors for any such services (including, without limitation, the performance of administrative and/or ministerial duties of my Executor) reduce the amount of compensation to which my Executor is entitled.

E. Power Over Digital Assets. In addition to any other powers of my Executor, my Executor shall have (I) the power to access, use and control my digital devices, including but not limited to, desktops, laptops, tablets, peripherals, storage devices, mobile

telephones, smartphones, and any similar digital device which currently exists or may exist as technology develops or such comparable items as technology develops for the purpose of accessing, modifying, deleting, controlling or transferring my digital assets, and (II) the power to access, modify, delete, control and transfer my digital assets, including but not limited to, my emails received, email accounts, digital music, digital photographs, digital videos, software licenses, social network accounts, file sharing accounts, financial accounts, domain registrations, Domain Name Service accounts, web hosting accounts, tax preparation service accounts, online stores, affiliate programs, other online accounts and similar digital items which currently exist or may exist as technology develops or such comparable items as technology develops. For purposes of this Will, a "digital asset" shall mean a record which is electronic; "electronic" shall mean relating to technology having electrical, digital, magnetic, optical, electromagnetic, or similar capabilities; and "digital device" shall mean electronic equipment which is used to process, record, transmit, store, access, or otherwise deal with digital assets.
